The Last Resort

Petticoat Lane London England

THE LAST RESORT the place to be,
It's got everything a skin could see,
Boots and Braces, Jeans and Shoes,
Everything a Skin could use.
Crombie Coats to look the part,
Ben Sherman's that look smart,
Flying Jackets that look cool.
Socks hanging on the wall,
Sta-Press Strides on the rack,
Micky French a friend to all,
Little, big, fat or small,
All the Skinheads have a ball,
Listening to the music that's oi!
Goulston Street is not that far,
So call in at the Last Resort.
